Cape Cod Museum of Art
Annual Meeting
January 1, 2021 - December 31, 2021
Our Mission

The Cape Cod Museum of Art’s mission is to excite and inspire the imagination of all, using exhibitions, education, and transformative cultural experiences.

We share and steward our outstanding collection, loaned works, and deep connection to the Cape’s creative culture and heritage, now and will for generations to come.

Celebrating Our 40th Year

“To reach a port, we must set sail - Sail, not tie at anchor Sail, not drift.”
- FDR

As we turn our bow into the wind and set the course for the next 40 years, we’ll find new adventures, just over the horizon. To the loyal members, artists and patrons of the Cape Cod Museum of Art who love to explore with us, thank you for your unwavering support. The journey is ongoing. Let’s catch the trade winds in our sails, and move ever forward, side by side.

Loyal members, artists, and endless voyagers who love to explore with us, thank you for your unwavering and side-by-side.

But we can't do it without you!

Your generous gift will help us to:

- fund programs that inspire, educate, and excite imaginations through the potency of visual art.
- further our Creative Outlets, an educational program for at-risk youth.
- preserve, interpret and display our historic 2,500-piece Permanent Collection.
- help us to turn our bow into the wind and set the course for the next 40-years of this epic voyage.

I am calling on you today because we are at a pivotal moment in our history. As we turn our bow into the wind and set the course for the next 40-years of this epic voyage, we'll find new adventures just over the horizon. But we need YOU to stay the course alongside us.

Like all great voyages, the waters we navigate are ever-changing, sometimes calm and other times, stormy. And when the voyage presents a challenge, YOU have remained steadfast and strong. When the voyage presents a challenge, YOU have remained steadfast and strong.

Dear Friend of the Museum,

Our voyage began 40 years ago. With a dream, a wish, and a vision. A dream of creating a place where people could gather, learn, and be inspired by the power of visual art. A wish to create a place where everyone could feel welcomed and included. And a vision to create a place where people could come together, learn, and be inspired by the power of visual art.

And when the voyage presents a challenge, YOU have remained steadfast and strong. When the voyage presents a challenge, YOU have remained steadfast and strong. When the voyage presents a challenge, YOU have remained steadfast and strong.

Now during this pivotal year, I'm coming to you for help.

And when the voyage presents a challenge, YOU have remained steadfast and strong. When the voyage presents a challenge, YOU have remained steadfast and strong. When the voyage presents a challenge, YOU have remained steadfast and strong.

I am calling on you today because we are at a pivotal moment in our history. As we turn our bow into the wind and set the course for the next 40-years of this epic voyage, we'll find new adventures just over the horizon. But we need YOU to stay the course alongside us.

Like all great voyages, the waters we navigate are ever-changing, sometimes calm and other times, stormy. And when the voyage presents a challenge, YOU have remained steadfast and strong. Dear Museum Supporter,

Did you know that not all Art Museums maintain a Permanent Collection as we do? The Cape Cod Museum of Art’s Permanent Collection exists only because of our founders’ determination to preserve works made on Cape Cod, inspired by Cape Cod, and works that have served as inspiration to Cape Cod Artists and the world in general. Today’s 2,500 piece Permanent Collection is central to our existence. It is a treasure.

When a museum holds a Permanent Collection, it assumes legal, ethical and fiduciary responsibility for the artwork in perpetuity. It is also our responsibility to protect it physically.

That is why we are writing to you today.

Thanks to a grant from the Cape Cod Foundation, we are in the process of standardizing the entire collection catalogue data. We forecast the completion of this task by early spring 2022. After that, we will seek grant funding to professionally capture digital images of the entire collection accessible to our members, visitors and the entire world!

But, when it comes to protecting the Collection, we have a more pressing need.

Our outdated Heating, Ventilation & Air Conditioning (HVAC) system has been failing and will not, after almost 40 years, last much longer. In fact, it is a small miracle we made it through the hot summer! With this in mind, we are thrilled to announce the Mass Cultural Council has awarded us a $50,000 matching grant to replace our aged HVAC system.

In order to receive this matching grant, we need to raise an additional $50,000. The clock is ticking! Please support us by doubling your donation and contribute to this designated fund today!

Our HVAC system is important for your comfort, but absolutely critical to maintaining the proper conditions for our Permanent Collection.

On behalf of the Staff and Board of Directors, we thank you for helping to provide the proper climate for our patrons while ensuring our Permanent Collection stays permanent!

Respectfully,

Benton Jones, Director of Art
