

# Happy Place

CCMoA Members Juried Exhibition

January 11 - April 2, 2023

**The theme of this year's Annual Members Juried Exhibition is Happy Place.  
In our call for entries, we asked artists:**

*When you're feeling down or stressed, where do you go, in your mind or in person, to lift your spirits?*

*Where is your Happy Place? Perhaps your Happy Place is not a place at all, but...*

*an activity... a person... a pet... a memory... a taste... or a smell?*

We asked the artists to capture their "Happy Place" in a work of visual art.

**165 artists from numerous states in the USA as well as from Canada and England responded to the call for art, submitting a total of 265 artworks submitted. Juror Peter Kalill, artist and proprietor of Orleans Modern Art, chose 77 pieces to be included, representing the work of 66 artists.**

*Some of the artworks in this exhibition are available for purchase and may be picked up  
after the exhibition concludes on April 2, 2023.*
